Golf Classic & Summer Party

2023 Sponsorship Opportunities

We will host our [20th Annual Golf Classic & Summer Party](#) on **June 12, 2023** at **Oak Ridge Country Club** in Hopkins. Last year, sponsors helped 420 students launch their careers. Your partnership with [Summit Academy OIC](#) is an opportunity for your organization to gain exposure, show your commitment to Summit's mission, and join others who want to make a difference for families in our community.

Your sponsorship provides students an opportunity to begin a family-sustaining career and achieve economic stability without having to take out loans or pay out-of-pocket expenses to attend.

I felt like Summit was the only opportunity to better myself.

Nobody can help you unless you're willing to help yourself. It was tough going through [classes], but seeing my skills now, I don't think anything can hold me back.

We look forward to seeing you on June 12th for a fun-filled summer day with friends, family, and colleagues, while supporting Summit's critical work in the community.
